DISCLAIMER

We are in completely uncharted territory here, and any suggestions that we make are merely that and you should carefully consider your own business policies, and if necessary, consult with your Professional Advisors. PASC is your lobbying Association, not a legal service. In addition, please be very wary of some of the advice given on internet communities, blogs and social media. There appear to be thousands of experts out there where my understanding is that there are very few.

To that end, any information you get from any source you must double check. I will always try and put the actual link to the information in the newsletters so that you can read and assess yourselves. These are unprecedented times, please take exceptional care.
