#### COMMENTARY

This afternoon we are meeting with Barbara Keeley MP and Shadow Tourism Minister and her team at a roundtable facilitated by the Tourism Alliance. Our key points will be to get Statutory Registration through, before considering a harsher Licensing regime, which they have stated several times. This will not be easy, as we are in effect asking for a Conservative Policy to be supported. This is why we worked so hard to get an All-Party Parliamentary Report on Statutory Registration, to be able to present it as having all-party support. We will see and report back next week.

Once again it will also be time to try and influence all the political parties Manifesto's and one of the issues that hospitality generally will be asking for is cut on the VAT Rate. Around 20% of our Members have to charge VAT, and many more are having to think about passing the threshold as increased costs bite into the margins of business that are near the threshold. Members that have to charge VAT are at a serious disadvantage to competitors who do not, especially as those that have to charge VAT are in the vast majority of cases having to also pay businesses rates (that level of business also takes them above the Small Business Rates Relief Threshold), a combination of almost 30% on each booking.

The key partners that we are working with on this are all supporting the following change.org campaign to reduce VAT, do take part please... <https://www.change.org/p/lower-vat-to-10-for-the-hospitality-industry>

We are continuing to survey our Members as we plan a fair amount of change at PASC UK this year, so if you are Members please read and respond to the dedicated Member Newsletter being sent tomorrow, 17 January. If you wish to give further feedback, please do so by dropping an email to [chair@pascuk.co.uk](mailto:chair@pascuk.co.uk)

The results of this survey will help prioritise work this year, most specifically on the order that Members papers are released/reviewed/updated.

No further news from the Home Office suggests that there is unlikely to be any update on 'open plan' before the end of the month. We will of course let you know as soon as we have anything to share.

XL Bully dogs continue to generate a large number of question, we have released a short paper on that, titled Dangerous Dogs, and there is also a brief update below.

As always, any questions please let us know. Best regards

Alistair

## **PASC UK FIRE SURVEY. LAST CALL. THANKS**

We are running this survey to gather information that will be useful in determining what further Fire Support is required from both the Home Office and PASC UK, as well as how you found out about the changes, where you source information etc. We will use this information in our work with the Home Office and will publish results in the Newsletter. Only takes a couple of minutes.

Members have had their link to the Members Fire Survey (same questions), if you are a Member, and can't find it, let us know at [chair@pascuk.co.uk](mailto:chair@pascuk.co.uk)

Everyone else, please can you use this link? <https://www.surveymonkey.com/r/3YYQLRP> Thanks

## **ENGLISH TOURISM MINISTER RETURNS**

Julia Lopez MP has returned from maternity leave to her post as Tourism Minister. She was a key driver in getting the Consultation into Statutory Registration launched last summer and is a keen advocate of the policy. We welcome her return and are seeking a meeting with her at the earliest possible opportunity.

<https://www.gov.uk/government/people/julia-lopez>

## PACKAGE TRAVEL REGULATIONS MEETING UPDATE

We were invited to a meeting organised by the Department for Business and Trade at the Old Admiralty Building in Whitehall last week to discuss moving forwards with the Package Travel Regulations (PTR's).

We brought Kurt Janson along too, who was formerly the Director of the Tourism Alliance, and knows more about PTR's than anyone we know to help make the case for real reform.

The meeting was very positive and remarkable in that it was called only two days after the 'Call for Evidence' closed. It was also clear that your responses to this call were material in getting both the meeting and the invitation.

A follow up is planned once the team at DBT have finished consolidating the Call responses and the contents of the meeting. The photos shows Richard Toomer from The Tourism Alliance doing a 'selfie' of Kurt, Fiona from Booking.com, Luke from UKH and myself 😊

## DANGEROUS DOGS (XL BULLY DOGS) PAPER RELEASED **AND SHORT UPDATE**

Additional note on Dangerous Dogs/XL Bully Dogs

We have contacted several insurance contacts, and it's worth noting that some insurers explicitly state that you are not insured if they are on your property, and others state something similar to that below, note the killer line.... **'As long as that person is following the legislation'**. If you are considering accepting Dangerous Dogs, it's definitely worth checking with your insurance.

Sorry for the delay in getting back to you.

With regards to the XL Bullies we are advising that the insurance will still be valid should you accept a guest with this breed of dog as long as that person is following the new legislation.

If this changes, we will be in touch but we have had no other guidance from Head Office as of yet.

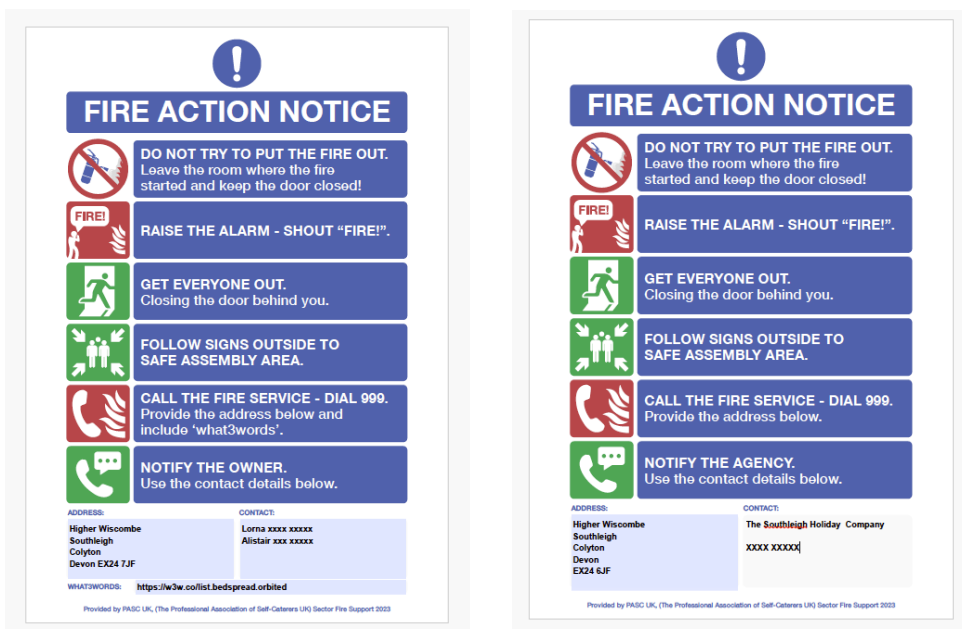

Hope this clarifies – please don't hesitate to contact us should you wish to discuss further.

We received many requests for information about XL Bully Dogs, whether we as owners of holiday properties should allow them? What is the law? How do you find out what kind of dog guests may be bringing? etc.

We have pulled together a short paper that tries to answer the key questions, and what the risks are by taking in Dangerous Dogs. The paper covers all Dangerous Dogs covered by the Act, and includes specific references on XL Bully Dogs and links to Government Guidance on identification

The paper can be found here: <https://www.pascuk.co.uk/reports/>

**FIRE GUIDANCE WHERE TO FIND IT ALL? NO UPDATES THIS WEEK**

They can be found here: [https://www.pascuk.co.uk/fire\\_checks\\_and\\_safety/](https://www.pascuk.co.uk/fire_checks_and_safety/)

There are short docs that summarize the current situation with Fire Regs in self-catering in England and Wales. They signpost you to all the regulations, the Government produces Guidance, the additional PASC UK papers and more.

They can be found here: [https://www.pascuk.co.uk/fire\\_checks\\_and\\_safety/](https://www.pascuk.co.uk/fire_checks_and_safety/)

If you are looking for information on why the regs are now law in England, and coming in Wales, or what a Responsible person is, please refer to recent Newsletters.

### Fire Safety Risk Assessment Sleeping Accommodation

This paper goes some way to helping with larger properties, but is an old paper, published in 2006 and is currently being updated by the Home Office. Earliest date expected is around the end of the year.

## Additional PASC UK Supporting Papers

To help owners navigate through this, and to supplement the Government Papers mentioned above, we have commissioned three initial papers from our Fire expert, Paul Bray, GIFireE, Fire Safety Consultant.

The papers are number 1,2 and 3. They can be found here: <https://www.pascuk.co.uk/reports/> and also here: [https://www.pascuk.co.uk/fire\\_checks\\_and\\_safety/](https://www.pascuk.co.uk/fire_checks_and_safety/)

### Paper One: **The Regulatory Reform Fire Safety Order 2005**

This is a background paper explaining the legal background of the Fire Regs and the Fire Regs.

### Paper 2: **Additional Notes to the Home Office Guidance on Making your small paying guest accommodation safe from fire 2023**

This paper provides additional notes to use in conjunction with the Home Office Guidance on Making your small paying guest accommodation safe from fire paper.

## Paper 3: **Applying the Sleeping Risk Guide to existing holiday accommodation**

This paper provides the first paper on providing additional information for larger properties.

### **These have been followed by....**

#### **Fire Checks at Changeover, Routine maintenance and Testing V1**

This provides a guide to fire checks at changeover, and a testing regime.

#### **How to find a Competent Fire Risk Assessor?**

This provides the websites where you can find authorised fire experts.

#### **Updated Fire Risk Assessment**

Suitable for use with the 'Small' guide from the Home Office and Welsh Fire, with the addition of a 'Review Date' box.

#### **Train as a Competent Fire Risk Assessor**

Lots of request about how to become a Competent Fire Risk Assessor. This is probably only feasible and of interest to those with multiple properties or agencies.

#### **Additional Fire Safety Notices (without What3Words)**

We have produced some further Fire Safety Notices without a space at the bottom for What3Words. We really do recommend that you include creating a What3Words reference for your property as most emergency services all over the country use it.

#### **What3 Words explained**

What3Words is and how to use it.

#### **FAQ's**

We have published the first sets of FAQ's, the most asked fire questions. This will be regularly updated and when updates are made, they will also appear in the newsletter.

These can all be found at [https://www.pascuk.co.uk/fire\\_checks\\_and\\_safety/](https://www.pascuk.co.uk/fire_checks_and_safety/)

### **Next Steps**

In addition, PASC UK **will be providing the following over the coming weeks.**

- Further Papers and Webinars (See Webinar Programme)

- Regular updates on mitigation measures for buildings outside the **Home Office Guidance on Making your small paying guest accommodation safe from fire 2023 (Underway)**
- Work with Home Office and Fire Experts to come up with reasonable and proportionate mitigations for those with properties outside the **Home Office Guidance on Making your small paying guest accommodation safe from fire 2023**.
- More will be added over the coming weeks

Members questions are welcome on any issues that they have with their Fire Risk Assessments, and we will answer as best we can. We are not ourselves fire safety experts and will do our best to try and offer solutions or signposts to solutions. We are afraid that we cannot answer non-Members questions on fire issues.

## AREAS OF OUTSTANDING NATURAL BEAUTY BECOME NATIONAL LANDSCAPES

For those of you that were formerly located within the boundaries of an Area of Outstanding Natural Beauty (AONB) there has been a significant change. All AONB's are now renamed as National Landscapes, for example East Devon AONB is now the East Devon National Landscape.

All have smart, modern and cohesive logos, so it's time to consider updating your websites if you mention AONB's. Whilst consumer recognition grows, probably best to still refer to both for a while, so something like, 'located with the East Devon Area of Outstanding Natural Beauty/National Landscape' and slowly phasing towards National Landscape over the coming year, so that you come up in web searches.

The logos all have a common feel, which will make consumer identification of the classification easier, and all AONB websites are being updated.

Here are the new logos for East Devon as an example.

**East Devon**  
National  
Landscape

**East Devon**  
National  
Landscape

It is hoped through the relaunch and redefinition of these amazing landscapes that further funding support will be available. Always worth looking at their websites if you are located within one, as there are often grant schemes available and managed by the 'National Landscapes'. (May not be

applicable to all). We have in East Devon, along with many other National Landscapes, a grant fund called 'Farming in Protected Landscapes' (FIPL) and other schemes are due soon.

<https://www.gov.uk/government/news/natural-england-action-for-people-and-nature-ahead-of-cop28>

Well worth making something of being in these areas as part of your marketing. Your Chair has also had the privilege of being a Member of the East Devon Partnership for 16 worthwhile years and as Chair for last two. All AONB's/National Landscapes are looking for partnership representatives. If you have an interest in the local landscape, nature/nature recovery, and the balance between those and the need for business and employment in the area, then get in touch with your local Chair.

## NEW TRADE DIRECTORY

**Please suggest to your trusted suppliers that they can be listed for free on the PASC UK Trade Directory, just send them the second link in this article, ten added in last week 😊**

Last week, we also launched the Trade Directory. We intend for this to be a resource where you can find all kinds of services that you need to run your business. We have started with the suppliers that many of you have sent in. Here are the initial listings, with clear categories.

<https://www.pascuk.co.uk/business-directory/>

We are looking for many, many more. There is no charge for suppliers to list here and we have created a simple form for them to apply to be listed, so if you have a good Fire Risk Assessor, or photographer, or accountant, please get them to fill in the simple form here:

<https://www.pascuk.co.uk/add-a-business-listing/>

Thanks, with all your help we can build a comprehensive directory. Comments welcome.

### 4/ My username doesn't match my email address, does it matter?

No, it doesn't, usually your username would be your email address, but through address changes and mistyping, some don't match up.
