#### COMMENTARY

PASC UK was travelling for much of last week, presenting at two conferences and at a Members Meeting in Cornwall. It was really good to be out and about and meeting hundreds of business over the course of three days.

The first was the West Country Tourism Conference, held over two days and well attended. We are generally on in the same section at Richard Toomer from the Tourism Alliance and Visit England and

after short presentations take panel questions. Top of the agenda was Statutory Registration, and Robin Barker, the Event organiser and host asked the audience at the end, who was in support of such a scheme? As per last year, the response was unanimous.

The next day we presented to a Tourism Together Group in Newquay, along with Malcolm Bell from Visit Cornwall. We were able to meet many familiar faces and Members as well as signing up new Members to PASC UK.

The last meeting was a PASC UK Members meeting in Truro. We aim for forty at these meetings maximum so that we can try and meet and talk everyone and between Lorna, Paul Bray, our retained Fire Expert and myself, we achieved that.

We have now had three Regional Meetings now and they are proving really popular, and each has been different from the others, so still working on how best to answer as much as possible in a short time.

We will continue to roll these out across the country. Just waiting to announce dates as announcements on Statutory Registration are imminent as is a further fire note from the Home Office on 'open plan' properties.

What came from all of these meetings was what a slow start the vast majority of owners and agents have experienced so far in 2024, as booking patterns change and bookings are being made much closer to the arrival date. We will be covering this more in the upcoming Members Meetings.

We are running a series of Webinars and Meetings with Key Data to help you better compare your performance against the market. For example... In our own business, we are able to check how our occupancy and rates are performing against other businesses in our area and much more.

If you are interested in finding out more about how you can drill down, please have a look at the webinar/meetings programme below and register. We are already honing our future pricing strategy around the data we are pulling from Key Data.

We have also published a short paper on **Insurance Companies and Keyless Exits** after a flurry of questions about insurance companies refusing cover for keyless exits, it must be renewal time, so have written a short paper to help owners resolve this with their insurers. more detail below.

The PASC UK Legal Pack for Members which includes Terms and Conditions, CCTV guidance as well as up to date Cookie and Privacy Policies is getting closer, being out most of last week did slow this down. See updated note below on this.

As always, any questions please let us know. Best regards

Alistair

## **VALUATION OFFICE SENDING OUT MORE VO 6048's (NOT THE SAME AS USUAL)**

We had a meeting last week with the Valuation Office where we were told that they will be sending out forms from this week, spread out until the end of August to gather information for the 2026 Revaluation.

This called a 'Form of Return' and will be used to help determine your Rateable Value for the year commencing 1 April 2026. This is not a check on whether you have hit the thresholds required for remaining on Business Rates as opposed to Council Tax.

This will be sent between now and August to all self-catering businesses in Wales and a representative sample in England. We have been told that those who have recently filled in Annual VO6048's will be sent this additional form later rather than sooner.

Hard as this is to believe, this document is also called VO6048, even though the information provided will be used in a completely different way. Once again, we have asked for much better descriptors to

help determine which VO6048 you are looking at, English, Welsh, long or short form, applying for Business Rates or now, gathering information for Rateable Values.

The form looks very similar to a standard VO6048 so we have asked for copies of it so that we can highlight differences to you all in the newsletters which form you are looking at.

You **MUST** respond to this form if you receive it, it is a legal requirement to do so within 56 days.

Here is a note for the VOA.

### [Providing trade information for self-catering holiday lets](#)

#### **Subtitle: The VOA is asking some owners of self-catering holiday lets for further information about their property.**

The Valuation Office Agency (VOA) is writing to some owners of self-catering holiday lets that are assessed for business rates.

We are doing this because we need further information about the income and expenditure of these properties.

Last year, we wrote to most self-catering holiday let owners in England and Wales to ask them to provide letting information about their property.

This information was used to determine if properties should be assessed for business rates or Council Tax. You can read more about this in [our blog](#).

If we determined that your property should be assessed for business rates, you may receive another form which asks for some additional information.

It will look similar to the form we sent to you last year.

#### **How we will use your information**

The information you provide will be used to calculate the rateable value of your property. Rateable values are used by councils to calculate business rates bills and determine if you are eligible for [business rates reliefs](#).

We are legally required to update the rateable values of all non-domestic properties, including self-catering holiday lets, every three years. This is called a [revaluation](#). We do this to make sure business rates bills are based on up-to-date information. To value self-catering holiday lets, we need information about your income and expenditure. You can read about how we value your property for business rates in more detail in [our blog](#).

#### **Provide the information within 56 days**

Forms will be sent to a representative sample of self-catering holiday let owners between February and August.

If you receive a form from the VOA asking for information about your self-catering holiday let, it's important that you return it within 56 days of when it was issued.

If you do not, you may have to pay a penalty.

Check you have provided all the information we have asked for before you return the form, even if you have previously shared some information with us. If you return the form and it is partially incomplete, you may still have to pay a penalty.

You only need to share your details with us if we have asked you to.

We will provide more information on this as soon as we have it.

## INSURANCE COMPANIES AND KEYLESS EXITS

We have produced a short two-page paper for owners to send to insurance companies that are still saying that the holiday let cover is invalid if you have keyless exits. So far, once contacted and the legal position under the Fire Regs has been explained, the insurance companies have agreed cover for Keyless exits.

As a result of a flurry of queries regarding this over the last week, we have published a short paper to help get this sorted.

The paper is available in the Members area under **Fire Signs and Info**

The Paper is available for non-Members here: [https://www.pascuk.co.uk/fire\\_checks\\_and\\_safety/](https://www.pascuk.co.uk/fire_checks_and_safety/)

## **IN PERSON PASC UK MEMBERS MEETINGS UPDATE 30 JANUARY**

We are preparing to roll out in person Members meetings across England and Wales after the success of the meetings in Northumberland, Devon and Cornwall. The next planned meetings are as follows, details of these will be published as soon as possible.

- **Herefordshire**
- **Norfolk**
- **Wales**

There is no charge, and we will be serving teas, coffees and home-made cake. Any questions, please let us know [chair@pascuk.co.uk](mailto:chair@pascuk.co.uk)

## **NEW PASC UK LEGAL PACK NEARS COMPLETION UPDATE 13 FEBRUARY**

**See 13 February updates in Red.**

We are about to launch the following legal papers for PASC UK Members. These are being written as part of our new partnership with Stephens Scown Solicitors (SSS) which will be formally announced shortly. This will be followed by Members Meetings to run through these papers and answer any questions that you may have.

Once completed, we will hold Members meetings to answer questions on these papers.

## **1/ Terms and Conditions**

**The support team of volunteers have been updated and we are probably still two weeks maximum from finally publishing the Terms and Conditions.**

These are almost complete and will offer Members legally written T's and C's (Terms and Conditions) for holiday lets. These will encompass all the learning that we have all had during and since covid, and the need to have adaptable T's and C's as other threats and opportunities arrive. It could be EV charging, or accepting dogs, not wanting dangerous dogs, or Granny charging etc.

We are looking for half a dozen Members to help with a final review of these before releasing. If you would like to volunteer, please contact [chair@pascuk.co.uk](mailto:chair@pascuk.co.uk)

## **2/ CCTV Policies**

**This has now gone back to SSS with (hopefully) final comments. Due two weeks.**

If you have or are thinking about having CCTV at your premises, and this includes door cams and some noise monitoring equipment, there are inevitably some legal hoops to jump through. This series of papers will help you become compliant and protect you from claims from guests and visitors to your property that you have infringed their rights in some way.

## **3/ Privacy and Cookie Policies.**

**This has now gone back to SSS with (hopefully) final comments. Due two weeks.**

These will only be relevant if you have a website, if you do these are a legal requirement and due to originating whilst in Europe, they undergo frequent changes. Sadly, there are people out there that will be mortally offended at having their human rights abused by an out-of-date Cookie/Privacy Policy and will seek redress. These papers will help protect you against that and ensure compliance.

**PLEASE SUPPORT CUTTING TOURISM VAT**

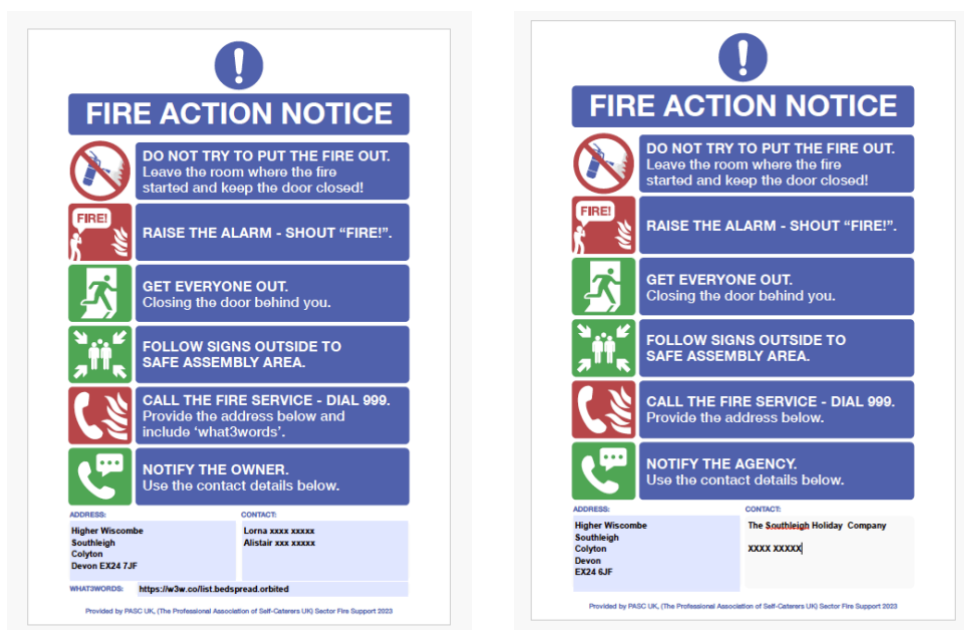

As we head towards the election, and each political party gathers key issues for their Manifestos, Tourism Associations work hard to influence these. Common ground across all the Associations that we work with are .... get Statutory Registration done, .... a complete reform of Business Rates and cut the rate of tourism VAT. The first two are gaining really good momentum, but cutting VAT needs your support.

It's a game changer for the whole sector, even if you are not VAT registered you should take part, so that your guests get the benefit whilst eating out when they stay with you. When last temporarily introduced, it was to boost growth, and was hugely successful in doing so. The whole UK needs growth now, and we all need yet another bounce back, so please take part by signing tis petition, it really does only take a minute.

### Fire Safety Risk Assessment Sleeping Accommodation

This paper goes some way to helping with larger properties, but is an old paper, published in 2006 and is currently being updated by the Home Office. Earliest date expected is around the end of the year.

## Additional PASC UK Supporting Papers

To help owners navigate through this, and to supplement the Government Papers mentioned above, we have commissioned three initial papers from our Fire expert, Paul Bray, GFireE, Fire Safety Consultant.

The papers are number 1,2 and 3. They can be found here: <https://www.pascuk.co.uk/reports/> and also here: [https://www.pascuk.co.uk/fire\\_checks\\_and\\_safety/](https://www.pascuk.co.uk/fire_checks_and_safety/)

### Paper One: **The Regulatory Reform Fire Safety Order 2005**

This is a background paper explaining the legal background of the Fire Regs and the Fire Regs.

### Paper 2: **Additional Notes to the Home Office Guidance on Making your small paying guest accommodation safe from fire 2023**

This paper provides additional notes to use in conjunction with the Home Office Guidance on Making your small paying guest accommodation safe from fire paper.

This provides the websites where you can find authorised fire experts.

### Updated Fire Risk Assessment

Suitable for use with the 'Small' guide from the Home Office and Welsh Fire, with the addition of a 'Review Date' box.

### Train as a Competent Fire Risk Assessor

### Additional Fire Safety Notices (without What3Words)

We have produced some further Fire Safety Notices without a space at the bottom for What3Words. We really do recommend that you include creating a What3Words reference for your property as most emergency services all over the country use it.

### What3 Words explained

What3Words is and how to use it.

### FAQ's

We have published the first sets of FAQ's, the most asked fire questions. This will be regularly updated and when updates are made, they will also appear in the newsletter.

These can all be found at [https://www.pascuk.co.uk/fire\\_checks\\_and\\_safety/](https://www.pascuk.co.uk/fire_checks_and_safety/)

## Next Steps

In addition, PASC UK **will be providing the following over the coming weeks.**

- Further Papers and Webinars (See Webinar Programme)
- Regular updates on mitigation measures for buildings outside the **Home Office Guidance on Making your small paying guest accommodation safe from fire 2023 (Underway)**

- Work with Home Office and Fire Experts to come up with reasonable and proportionate mitigations for those with properties outside the **Home Office Guidance on Making your small paying guest accommodation safe from fire 2023**.
- More will be added over the coming weeks

Members questions are welcome on any issues that they have with their Fire Risk Assessments, and we will answer as best we can. We are not ourselves fire safety experts and will do our best to try and offer solutions or signposts to solutions. We are afraid that we cannot answer non-Members questions on fire issues.

## NEW TRADE DIRECTORY

**Please suggest to your trusted suppliers that they can be listed for free on the PASC UK Trade Directory, just send them the second link in this article, ten added in last week 😊**

Last week, we also launched the Trade Directory. We intend for this to be a resource where you can find all kinds of services that you need to run your business. We have started with the suppliers that many of you have sent in. Here are the initial listings, with clear categories.

<https://www.pascuk.co.uk/business-directory/>

We are looking for many, many more. There is no charge for suppliers to list here and we have created a simple form for them to apply to be listed, so if you have a good Fire Risk Assessor, or photographer, or accountant, please get them to fill in the simple form here:

<https://www.pascuk.co.uk/add-a-business-listing/>

Thanks, with all your help we can build a comprehensive directory. Comments welcome.
